

AED Responses to RFP

| Company Name | Cost | Warranty | Acceptable Product | If no, why. | Rebate | Amount | Total Cost |
|------------------------|-------------|----------|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|------------|-------------|
| Cardiac Life Products | \$21,890.00 | 8 Years | No | Different pad for adult and child. Does not closely match current AEDs and would require the district to replace all AED units (34). | Not mentioned | | \$21,890.00 |
| AED One Stop Shop | \$34,190.00 | 8 Years | Yes | | Yes | \$2,200.00 | \$31,990.00 |
| School Health | \$37,729.56 | 8 Years | Yes | | No | | \$37,729.56 |
| CPR Savers | \$19,090.00 | 8 Years | No | Different pad for adult and child. Does not closely match current AEDs and would require the district to replace all AED units (34). | Not mentioned | | \$19,090.00 |
| School Nurse Supply, I | \$37,136.00 | 8 Years | Yes | | Not mentioned | | \$37,136.00 |
| One Beat CPR | \$30,278.16 | 8 Year | Yes | | Not mentioned | | \$30,278.16 |
| Cintas | \$47,498.00 | 6 Years | Yes/No | Adult/child is acceptable but the maintenance is different than our current models and would require additional training or the replacement of the other 12 AED units in the district. | | | \$47,498.00 |
| Office Depot | \$29,171.00 | 6 Years | | Adult/child is acceptable but the maintenance is different than our current models and would require additional training or the replacement of the other 12 AED units in the district. | | | \$29,171.00 |
